2. A narrative of the Board’s efforts over the past year to address the recruitment, hiring, and assignment of faculty and certified staff.

The Personnel Plan for Certified Positions (“the Plan”), approved by the parties in 2010 and attached to this report as **Exhibit “A”**, continues to provide the foundation for the Board’s recruitment and hiring efforts. The Plan has produced significant changes in the district’s hiring process including the advertising of all certified vacancies on the State Department of Education’s website; centralization of the application process; establishment of a central Employment Committee; and development of an applicant database that allows the district to track, sort, and monitor applicants based upon credentials, degree, race, and other key factors. The district is confident these changes have provided a pool of better qualified applicants and have enhanced its minority recruitment efforts. As provided in the 2015 Consent Order, the

Board engaged consultants<sup>3</sup> provided by the Southeastern Equity Center to review its hiring and recruiting measures, to identify new strategies to accelerate and better sustain its minority recruitment and retention efforts, to revise the Personnel Plan as needed, and to identify other initiatives that will aid the District in its faculty and staff recruitment and hiring efforts. The Board has continued to work with the consultants over this last year and their guidance and input has been essential to the process.

The Board continues to employ the strategies and efforts initially described in the 2015 Report, including but not limited to participation in the Student Internship program with nearby Jacksonville State University (“JSU”); promotion of an inclusive and welcoming environment for all persons regardless of race through its website posting, social media activities, and other promotional efforts; continued use of the “Focused on Success for ALL” campaign first described in the Annual Report to the Court filed October 15, 2010;<sup>4</sup> use of promotional videos that convey the welcoming nature of the district’s schools on the district’s website ([www.calhoun.k12.al.us](http://www.calhoun.k12.al.us)) under the following titles: (1) Focused on Community, (2) Focused on Excellence, and (3) Superintendent’s Message; broadcast of the District’s message from a large screen television mounted in the main entrance area of the Central Office, where all employees and visitors are greeted by a continuous slide presentation that integrates the “Focused on Success for All” theme with photographic images of students and faculty selected to exemplify the district’s welcoming, diverse and inclusive environment; and positive use of Twitter accounts to “tweet” out good news and images that vividly portray the diverse face of the school system and its friendly, welcoming climate. Copies of representative Twitter postings from throughout the system are attached as **Exhibit “B”**.

### ***III. Information Required by Section V.C.24 of the 2015 Decree***

1. A report containing all discipline data collected pursuant to paragraph 15 of the 2015 Decree for the immediately preceding school year.

Reports of discipline data are attached as **Exhibits “K”, “L” and “M”** to this report.

Mr. Turner monitors infraction and discipline data with a focus on ensuring that infractions match dispositions. The District also continues to evaluate whether infractions decreased as expected from implementation of the CHAMPS PBIS program and the use of recommended

classroom management strategies. The discipline data confirmed that the results of the third year of CHAMPS implementation were positive. Generally, the District continues to observe decreases in disciplinary infractions for all schools and subgroups as the total number of infractions dropped from 3286 in 2017 to 3030 in 2018. *See Exhibit “M”*. Although the total number of major and severe infractions ticked up slightly in 2018, overall minor infractions decreased from 745 in 2017 to 528 in 2018, and intermediate infractions were reduced from 2144 in 2017 to 2008 in 2018. *Id.* The reports of discipline data are attached as **Exhibits “K”, “L”, “M”**.

The District also identified those schools where additional work is needed. The Board thereafter conducted CHAMPS PBIS training for the specific schools in those communities where continuing issues were shown, including Alexandria Middle (which is a new school), and the schools in the Weaver, Wellborn, and Saks communities. CHAMPS PBIS training was conducted as well for all new teachers, and took place on August 2, 2018.

All 2018 materials that were utilized in compliance with mandatory PBIS training are attached as **Exhibit “N”**, along with a copy of the sign-in sheet bearing names of teachers and administrators who attended. The District’s Discipline Consultants continue to express their pleasure with the progress the District has made.

4. Documentation, including but not limited to sign-in sheets, showing the names and positions of all instructional faculty and staff who received mandatory PBIS training and the date(s) on which they received it.

All such documentation was provided as part of the 2015 Report as Exhibits “J-1” through “J-16”. Sign-in sheets for the August 2, 2018 classroom management training is attached as **Exhibit “O”**.

## **Personnel Plan for Certified Positions**

### **I. Introduction**

In November 2009, the Calhoun County Board of Education (“Board”) entered into a Consent Decree in the long-standing desegregation case of *Lee v. Macon*. Among the provisions in the Decree was a requirement that the Board develop a personnel plan. For the purposes of the Decree, the Plan was to be designed to help the Board meet its desegregation obligations with regard to personnel. Thus, the primary objectives of the Plan include the identification, recruitment, hiring and retention of minority teachers and professional employees. The Board believes that the measures employed in the Plan will further those primary objectives, not through racially based hiring practices, but through broad-based efforts to locate excellent candidates, particularly minority candidates. The Plan is a process designed to increase awareness of and access to those candidates by those involved in the hiring process. The Plan is also designed to reinforce Calhoun County’s commitment to a non-biased, inclusive environment for all employees, regardless of race. While implemented in conjunction with a Consent Decree, the Board believes the measures in the Plan constitute best practices, and that its provisions will serve the Board for the term of the Decree and well beyond.

## II. Enhancement Initiatives

The Board believes that a comfortable, welcoming, and friendly environment for minority employees is essential for success in its recruiting and hiring efforts. The Board will embark on a system-wide campaign designed to reinforce its commitment to inclusiveness and community, targeted toward employees, students, parents, and other community members. The campaign is expected to involve the following components:

1. *Development of a theme.* The Board has in place a system motto, “Focused on Success,” which is integrated into its system seal and used in promotional materials. The Superintendent has proposed modifying that established motto in a way to communicate the desired message, changing it to “Focused on Success for All.” This new motto will replace the old one and be formally adopted by the Board. The seal will be modified and modernized as well.
2. *Promotion of the theme.* The “Focused on Success for All” theme will be introduced by the Superintendent as a “teaching opportunity” and schools will be involved in developing materials supporting the theme. Opportunities for engaging students in the process may include poster contests, classroom competitions, school forums, student development of recruiting and promotional materials, character education/curriculum components and other like methods. By integrating students into the process, current employees will also be engaged in the efforts. The Board believes that such a “ground up” approach will have a more meaningful and sustainable impact than a Central Office driven approach.

3. *Promotion of the campaign.* Materials will be developed to promote and reinforce the campaign to the communities the Board serves and to prospective employees. Materials will provide information about the school district and will portray and emphasize inclusiveness, diversity, community, and equal opportunity. Materials will be appropriate for use in teacher recruiting efforts, as well as efforts within the district to communicate the district's commitments to students, parents, teachers, and other community members. The Board intends to use student/teacher developed resources as the basis of promotional materials, recruiting materials, community announcements, and Board communications used in the campaign. The Board will publicize its efforts on its website, through in-house communications and other cost effective communication vehicles (i.e. school marquees, school publications, donated advertising space, discussions and editorial submissions to the press, and other advertising opportunities). The campaign will be multi-dimensional and designed to reach a broad audience, reinforcing and demonstrating that the school system is a place where all are welcome and are appreciated.

### **III. Equal Opportunity**

The Board recognizes that an effective educational program depends, to a large extent, on the excellence of the personnel employed in the school district. Consistent with this philosophy, applicants for positions will be selected on the basis of qualification, merit, and professional ability. No person shall be denied employment or advancement or

be subjected to discrimination in any program or activity on the basis of gender, age, race, national origin, ethnic group, marital status, religion, veteran status, or disability.

#### **IV. Identification and Recruitment Initiatives**

In keeping with its commitment to promote opportunity within the teaching force, the Board seeks to broaden and increase the pool of applicants for teaching, administrative, and other certified positions through active recruitment and targeted marketing efforts. Such efforts include the following measures:

1. Regular participation in teacher recruitment and career fairs, including but not limited to Jacksonville State University's Career Fair in Jacksonville, Alabama; North Alabama Connection: Professional Employment Day (NACPED) in Huntsville, Alabama (participating schools are Alabama A&M University, Athens State University, Calhoun Community College, Oakwood University, University of North Alabama, and Wallace State Community College); Alabama State University's Teacher Recruitment Fair in Montgomery, Alabama; Alabama A&M University's Teacher Ed Day in Huntsville, Alabama; Talladega College's Career Fair in Talladega, Alabama; and similar events involving other state colleges and universities with education programs, including HBU's such as Tuskegee University, Miles College, and Stillman College.
2. Promotion of the "Focused on Success for All" initiative, including the use of brochures, posters, newspaper advertisements, advertisements in professional and student publications, slideshows, videos and other promotional materials. Such

materials will also be used to “market” the Board to potential applicants as part of the other measures described in this Plan.

3. Development of relationships with placement offices and colleges of education at nearby institutions of higher education, including historically black colleges and universities (HBCUs) throughout Alabama. Such efforts will include written communication from the Superintendent and other recruiting staff, distribution of promotional materials, campus visits, offers to conduct guest lectures in education classes, and similar activities designed to broaden opportunities for teacher recruitment.
4. Continued participation in the Student Teacher / Internship program of the College of Education at Jacksonville State University, including efforts to recruit students who perform satisfactorily in student internships in district schools.
5. Development of partnerships with local community colleges designed to encourage and guide candidates toward careers in education.
6. Development of cooperative efforts with neighboring city school systems to identify measures that have proven successful in recruiting and hiring minority applicants and to consider opportunities to work together toward mutual goals.
7. Implementation of initiatives to promote and encourage careers in education among district high school students through targeted marketing efforts, implementation of Future Educator organizations at local schools, education career fairs, career counseling, advisement regarding scholarship opportunities for

education majors, presentations by local colleges of education, dual enrollment initiatives, and other alliances with local colleges and universities.

## **V. Vacancy Postings**

Vacancies for certified positions are announced by posting positions in accordance with applicable law and policy. Such announcements are physically posted at the Central Office, local schools, and work sites. Vacancies are also announced on the district website ([www.calhoun.k12.al.us](http://www.calhoun.k12.al.us)) and the Alabama State Department of Education's website ([www.alsde.edu/TeachInAlabama](http://www.alsde.edu/TeachInAlabama)).<sup>1</sup>

## **VI. Application Process**

Applicants for teaching positions, administrative positions, and other certified positions, must complete ALL of the following steps:

1. Complete an online application at the Alabama State Department of Education's Teach in Alabama website ([www.alsde.edu/TeachInAlabama](http://www.alsde.edu/TeachInAlabama)) and include the following attachments with the application: valid Alabama Teacher's Certificate, college transcript(s), verification of highly qualified status and current resume.
2. Once the online application is completed, including all attachments, the applicant may apply for any posted vacancy by clicking on the "Jobs" link on Teach in Alabama and selecting all Calhoun County Schools jobs for which he or she would like to apply.

---

<sup>1</sup> As of January 2010, the Board is also evaluating the Troops to Teachers program to see if that program will be helpful in its efforts. The Board has requested information from the Program about its success with similar districts.

3. To finish the application process, the applicant must complete a **Statement of Interest** form available under the Employment Opportunities link on the Calhoun County Schools website ([www.calhoun.k12.al.us](http://www.calhoun.k12.al.us)) and must also **print and sign** one paper copy of the completed Teach in Alabama application (including all attachments). Both the Statement of Interest form and the signed application with attachments must be mailed or hand-delivered to the following address:

Calhoun County Board of Education  
ATTN: Employment Committee  
P.O. Box 2084  
Anniston, AL 36202

Only **ONE** signed paper application should be submitted by the applicant during each school year regardless of the number of vacancies for which the applicant is applying. The Statement of Interest form allows the applicant to indicate all vacancies in which he or she is interested. If the applicant later applies for additional vacancies, it is necessary to submit only a new Statement of Interest form, which will be included with the signed application already on file. A new signed application need not be submitted unless applicant information has changed so that updates are needed.

## **VII. Receipt and Maintenance of Applications**

All signed applications and accompanying Statement of Interest forms are received and processed at the Central Office. Each applicant will be entered into the local applicant database by the Personnel Clerk or other person assigned those duties. Upon entry into the database, each applicant is assigned a sequential applicant identification number. Applicants in the database can be sorted and searched by number, name, position

applied for, race, date of application, highest degree, category of position (teacher, administrator, or other certified), certificate, areas of endorsement, and highly qualified status.

All applications, attachments, and supporting documents are maintained on file and available for consideration for a three-year period from the date of submission. As an additional back-up measure, the district has requested that online applications submitted through the Teach in Alabama website be archived and maintained for a three-year period by SearchSoft, the website administrator.

After applicants are entered in the local database, a Certification Specialist for the district reviews applicant information to verify certification and highly qualified status. Once certification and highly qualified status are verified, the application is forwarded to the Employment Committee for further consideration.

### **VIII. Employment Committee**

The Board has established an Employment Committee to review and evaluate applications, select applicants to be interviewed, review hiring recommendations by local administrators, and otherwise advise the Superintendent on hiring matters. The Committee is appointed by the Superintendent and is comprised of no less than three persons, at least one of whom is a minority employee.<sup>2</sup>

---

<sup>2</sup> Current practice is to appoint three regular members and two alternate members who may act in the regular members' absence. At least one African-American employee shall be included as a regular member and one African-American employee shall serve as one of the alternates.

The Committee shall meet as needed to review applications for vacant positions within the school system and to select qualified applicants to be interviewed for those positions. In selecting applicants to be interviewed, the Committee may consider information obtained from the application documents and other supplemental and reliable information available to it, which may include information from college instructors, teachers who supervised applicants during internships, local administrators, the Superintendent and other Central Office administrators, prior employers, and other sources with reliable information regarding applicants. The Committee may take other such measures to evaluate applicants as it deems appropriate. In addition to those applicants who have applied for a specific vacancy, the Committee may elect to identify additional applicants for consideration through use of the Teach in Alabama applicant tracking system or the local applicant database. In making its interview recommendations, the Committee will also consider the needs of the school district as a whole, including specifically the district's desegregation obligations.

For each posted teaching or other non-administrative vacancy, the Committee will refer applicants to be interviewed, and no applicants other than those identified by the Committee shall be interviewed without the express prior approval of the Committee. Employment Committee members are authorized to monitor local interviews as deemed appropriate.

For administrative vacancies, the Committee will refer all applicants and applications to the Superintendent and may advise the Superintendent as requested. The

Committee will maintain in an orderly fashion all records evidencing its review of applications and interview recommendations.

### **IX. Interview and Employment Recommendation Process**

Upon the referral of applicants by the Employment Committee to a local school, the local school administrator becomes responsible for scheduling interviews for the vacant position at his or her school or worksite. All local schools are to establish committees for the purpose of interviewing applicants. The school principal will participate as a member of each local interview committee. All applicants referred by the Employment Committee must be interviewed or documentation of good and valid justification as to why no interview was conducted must be provided.

After the interview process, employment recommendations must be submitted by the local school administrator to the Employment Committee in accordance with submission guidelines established by the Superintendent. A recommendation cannot be submitted until the posting for the vacant position has expired.

All recommendations will be reviewed by the Employment Committee, and the Employment Committee will forward the recommendation, along with such other information as deemed appropriate (which may include an alternative recommendation by the Committee), to the Superintendent for consideration. After considering such information, the Superintendent will determine what, if any, recommendation will be made to the Board.

In the case of administrative positions, the Superintendent is responsible for evaluation of candidates, interviews, and selection of candidates to be recommended to the Board for employment.

### **X. Transfer Requests**

Certified personnel may submit a request for a transfer at any time a desired position is posted. A request for transfer is initiated by submitting a Statement of Interest form to the Employment Committee. The employee is also required to forward copies of the Statement of Interest to the employee's immediate supervisor / local administrator and the supervisor / administrator of the desired position. The transfer request is valid only for the identified vacancy. Transfer requests will be reviewed by the Employment Committee along with all other applications for the posted vacancy in selecting applicants to be interviewed, taking into consideration the objectives and obligations of the Consent Decree.

### **XI. Notice and Training**

The Superintendent will ensure that all principals, administrators, faculty and certified staff are informed of the provisions of the Personnel Plan for Certified Positions, including all application procedures, required forms, review of applications, selection of interview candidates, interview procedures, and the process for making final hiring recommendations to the Board. A copy of the plan will be posted on the system website for review by applicants and current employees. Training regarding the plan will be provided annually to administrators, personnel clerks, and members of the Employment

Committee. Such training will include instruction in proper use of the local applicant database and the Teach in Alabama applicant tracking system. Training materials will be maintained at the Central Office and available for review by new personnel or as otherwise needed.

## **XII. Concerns, Questions, or Comments**

Concerns, questions, or comments about the Board's Personnel Plan, the hiring process, or other matters addressed in the Plan may be addressed to the Employment Committee and to the Superintendent. The Board's Personnel Plan is designed to benefit the school system as a whole and is not intended nor shall it be construed to confer or extend any rights, whether contractual or otherwise, upon any individual employee, prospective employee, or other interested person.

*It's not just reading, writing and arithmetic anymore!*

- Our culture is much more complicated, much of it driven by communication and media access
- We are the government – bound by constitution and laws
- You are agents/officials of government – bound by those same laws
- Laws are complicated – ways to comply with them, maybe not so much (stay tuned)
- Focus on function of government – learning and the rest falls into place...

2

**What is Discrimination**

- Discrimination means unfair or unequal treatment of an individual or group based on certain characteristics.

3

**Federal law makes it unlawful to discriminate on the basis of**

- Race
- Color
- Gender
- Age
- Disability
- National Origin
- Religion
- Pregnancy
- Genetic Information

4

**Cannot discriminate in ...**

- Hiring and firing
- Compensation
- Assignment or Classification/Segregation
- Transfer, promotion, layoff or recall
- Job Advertisements
- Recruitment
- Testing
- Use of Facilities
- Training
- Benefits
- Pay, retirement plans, and disability leave
- Other terms and conditions of employment

5

**Discriminatory practices also include:**

- Harassment on the basis of race, color, religion, sex, age disability or national origin
- Retaliation for filing a charge of discrimination, participating in an investigation or opposing discriminatory practices
- Employment decisions based on stereotypes or assumptions about the abilities, traits or performances of individuals with a disability or of a certain sex, race, age, religion, or ethnic group
- Denying employment opportunities to a person because of marriage to, or association with, an individual belonging to a protected class

6

### Equal Employment Opportunity Policies

- All of you have an EEO policy like...
- Unlawful Discrimination Prohibited – The Board is an equal opportunity employer. Personnel actions and decisions will be made without regard to factors or considerations prohibited by federal or state law (as such laws may from time to time be amended), including but not limited to race, gender, age, disability, national origin, citizenship, and religious preference.

### Equal Protection Clause

- All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; *nor deny to any person within its jurisdiction the equal protection of the laws.*

14<sup>th</sup> Amendment to the U.S. Constitution

### Title VII

- Prohibits employers from discriminating on basis of race, color, religion, gender, or national origin

### Age Discrimination in Employment Act (ADEA)

- Cannot discriminate based on age with respect to any term, condition or privilege of employment
- Protects all persons over the age of 40

### Pregnancy Discrimination Act

- Unlawful to discriminate on the basis of pregnancy, childbirth or related medical conditions

### Genetic Information Discrimination

- Unlawful to discriminate on the basis of genetic information when it comes to any aspect of employment.
- Genetic information includes information about an individual's genetic tests and the genetic tests of family members, as well as information about the manifestation of a disease or disorder in an individual's family.

### Americans with Disabilities Act

- The ADA protects employees and prospective employees with a disability from discrimination based on the disability
- The ADA prohibits employers from engaging in discriminatory or other unlawful practices in the hiring, managing, and termination of disabled individuals and imposes an affirmative obligation on employers, in some instances, to reasonably accommodate disabled applicants and employees
- To fall within the scope of the ADA, a person must be a qualified individual with a disability

### Americans with Disabilities Act

- "Disability" is defined as:
  - A physical or mental impairment that substantially limits one or more major life activity;
  - A record of such impairment; or
  - Being regarded as having an impairment

The employee or applicant must be capable of performing the essential functions of his or her job with or without a reasonable accommodation.

### Americans with Disabilities Act

- In pre-employment inquiries, the employer is:
  - Prohibited from asking questions about an individual's disability or questions likely to elicit information about an individual's disability;
  - Permitted to determine whether the employee can perform the essential functions of the job
  - The focus should be on specific job-related functions when interviewing applicants
  - The ADA permits an employer to establish job related qualification standards, but those standards must not screen out or tend to screen out individuals on the basis of a disability, unless they are job related and consistent with a business necessity

### Americans with Disabilities Act

While an employer has a duty to provide a reasonable accommodation, this duty is excused when it imposes an undue hardship on the employer

### Americans with Disabilities Act

- Reasonable accommodation does not include:
  - Hiring additional employees;
  - Creating a new job;
  - Reallocating the essential functions of the job;
  - Allowing indefinite light duty;
  - Allowing an indefinite leave of absence

### Americans with Disabilities Act

An undue hardship to the employer is defined as requiring significant difficulty or expense. It refers not only to financial difficulty, but to accommodations that are unduly extensive or disruptive, or to those that would fundamentally alter the nature or operation of the business.

### ***Two Basic Types of Employment Discrimination***

- Disparate Treatment
- Disparate Impact

### ***Proof of Discrimination***

- Direct Evidence
- Circumstantial Evidence

### ***Prima Facie Case – Discrimination***

- Belongs to a protected class
- Subjected to an adverse employment action
- Similarly situated comparators outside the protected class received more favorable treatment, not hired for a job or not terminated
- Replaced by someone outside the protected group or person hired was not within protected group

Note: A person can also establish a prima facie case if job remains open

Same analysis would apply to someone receiving a lower wage.

### ***What is an Adverse Employment Action?***

- Termination
- Not receiving a job
- Loss of salary
- Substantial and material change in the terms and conditions of employment

### ***Who is similarly situated?***

- Are the employees involved in or accused of similar conduct but disciplined in different ways?
- Comparator must be nearly identical to the plaintiff in all relevant aspects.

### ***What happens if an Employee Establishes a Prima Facie Case?***

- The burden shifts to the employer to articulate a legitimate nondiscriminatory reason for the employment decision
- Once a legitimate, nondiscriminatory reason is stated, the employee must prove that the reason is a pretext to hide discrimination

### *What is pretext?*

- A plaintiff must show that the reason was false and that discrimination was the real reason.
- To prove pretext a plaintiff can show weakness, implausibilities, inconsistencies, incoherencies, or contradictions in the employer's proffered legitimate reasons for the decision.

### *Making Good Decisions*

- Have good procedures and plans
  - Needs to have structure
  - Needs to be consistent
  - Should be simple, articulable and practical
  - It should work (if your process continually results in less than satisfactory employees, maybe it is the process!)

### *Making Good Decisions*

- Execute!
  - A plan is no good if you don't follow it – in fact, it is the fastest way to end up in the courthouse
  - Refer back to the plan or procedure
  - Train employees who will be participating
  - Use the tools you have created
  - Be consistent

### *Making Good Decisions*

- Prepare to Articulate
  - Need to be able to articulate your decision
  - Articulate not only what the result is but how you got there
  - Be able to explain rationale in a substantive way
  - Don't be lazy! Conclusory sentiments ("Best fit for the job," "Top candidate," "Performed the best in the interview") don't really help you.
  - Go deep –ask what makes the candidate the "best fit," the "top candidate," or the "best interview" and those become your reasons

### *Typical Board Hiring Procedure*

- Job is posted pursuant to Alabama Law
- Applications received and reviewed
- Interviews
- Recommendation
- Board Approval

### *Applications*

#### BE CONSISTENT

- What information gets submitted?
- Who receives it?
- What is required for the job?
- How is the information received evaluated?

## Selecting Applicants

AGAIN, BE CONSISTENT

- Develop a process in advance and follow it **every time**
- When deciding who to interview, look at the job description for the position, especially the minimum qualifications
- If someone doesn't meet the minimum qualifications, don't interview them

Bishop Colvin  
1000 14th Street, Suite 1000  
Portland, Oregon 97204

31

## Interviews

- Who should be interviewed?
  - Only those who meet the minimum qualifications for the job
  - BUT you don't have to interview everyone who meets them
  - A good cross section of applicants – look at the applications and at experience, skill set etc.
  - Remember, we can't get so lost in "covering our bases" that we lose focus on the goal – to find the very best person for the job

Bishop Colvin  
1000 14th Street, Suite 1000  
Portland, Oregon 97204

32

## Interviews

- Who does the interviewing?
  - A team – one on one interviews are potentially disastrous
  - The team should have an "expert" on hiring
  - The team should have someone who knows about the specific skills needed for the job
  - The team should have a broad generalist
  - The team should be diverse
  - The team should be trained on the interview

Bishop Colvin  
1000 14th Street, Suite 1000  
Portland, Oregon 97204

33

## Interviews

- Use a script for interviews
  - Doesn't have to be a "word for word" script but it helps to be able to prove exactly what happened in an interview (there is no way you will remember each interview-but the person being interviewed may very well!)
  - Ask the same questions (generally) – they can be a little flexible depending on answer but need to be in the ballpark
  - Use the same script for the same positions – they can change from time to time as you need to refine them
  - The consistency really helps in the event of a challenge
  - It also creates a more fair process

Bishop Colvin  
1000 14th Street, Suite 1000  
Portland, Oregon 97204

34

## Interviews

- Use of documentation or tools during the interview
  - Notes are important – they help you arrive at a decision and articulate the decision later but be careful and remember they are discoverable
  - Fill out all documents related to the interview and retain them
  - Be neat and spell names correctly, etc. – remember the documents will say as much about you as the person being interviewed
  - If a scoring system is used, make sure the person receiving the highest score is offered the position (duh!)
  - Scores should reflect the quality of the answers and should marry up with the notes
  - If scores are used, line applicants up on a list from first to last by average score

Bishop Colvin  
1000 14th Street, Suite 1000  
Portland, Oregon 97204

35

## Interviews

- Don't ask certain questions (these are landmines)
  - Where are you from?
  - When did you graduate from college/high school? And don't say something like "You sure look good for your age."
  - Do you have children? Planning on starting a family? Married? What does your husband/wife do?
  - Where do you go to church? What holidays will you need off?
  - Any medical issues? Any physical limitations (but if a job requires certain physical requirements, may be permissible)?

Bishop Colvin  
1000 14th Street, Suite 1000  
Portland, Oregon 97204

36

## Interviews

- Don't use certain words (these lead to landmines)
  - Man, woman, husband, wife, *anything* that has a gender connotation (don't ask if a woman would be comfortable "working with a bunch of men")
  - Black, white, Caucasian, Indian, brown, anything that has a racial connotation (don't ask if a black candidate would be comfortable working with white people!)
  - Old, young, middle aged, retired, ancient, a "long time ago" (whether referring to the candidate, their kids, siblings, spouses or whatever)
  - Strong, fit, disability, medical needs, "looks", handicap (don't ask if someone is strong enough to do a job!)

Bishop Calvin  
Lutheran Community Center  
37

## Treat Every Decision Like a Potential Lawsuit

- Make sure you have reasons for every hiring, promotion, or termination recommendation
- Make sure the answer to "why is this person the best applicant" is obvious and articulated
- Be honest and consistent
- Review and follow your own rules

Bishop Calvin  
Lutheran Community Center  
38

## Gender, Sex and LGBTQIA

- An estimated 3.8% of adults in the United States identify as lesbian, gay, bisexual, or transgender. (9 million Americans)
- Alabama-estimated 3.2% of population (18+)
- An estimated 0.3% of adults are transgender (700,000 Americans)
- Students -- unknown but studies suggest between .7% and 3% may be transgender

Bishop Calvin  
Lutheran Community Center

## Some Helpful Terms

- Lesbian - A woman who self-identifies as having an emotional, sexual, relational attraction to other women.
- Gay - A man who self-identifies as having an emotional, sexual, relational attraction to other men.
- Bisexual - A person who self-identifies as having an emotional, sexual, relational attraction to men and women.
- Queer - Used by some to refer to themselves, the LGBT community, or a person who is LGBT (often viewed as a political statement)
- Questioning - Individual who may be experiencing lesbian, gay, bisexual, or transgender feelings or urges but has not yet identified with their sexual orientation or gender identity.

Bishop Calvin  
Lutheran Community Center

## Transgender

- An umbrella term for a person whose gender identity and/or expression is different from that typically associated with their assigned sex at birth.
- Some individuals *may seek* some degree of gender affirmation surgery, take hormones or undergo other medical procedures.
- Others may pursue gender expression (masculine or feminine) through external self-presentation and behavior.
- Also trans or trans\*

Bishop Calvin  
Lutheran Community Center

## Sex vs. Gender

- Sex is a biological term referring to genetics and anatomy (were you born with male, female, or indeterminate anatomy?)
- Gender Role refers to the traditional behavioral differences between men and women, as defined by the culture in which they live
- Gender Identity refers to a person's internal or perceived sense of their gender (do you feel like you are male or female?)

## Legal Ramifications

- Equal Protection Clause/Section 1983
- Title IX
- Title VII
- Title VI
- Attorneys Fees

## 1<sup>st</sup> Amendment

- Establishment Clause prohibits public schools from promoting, endorsing, or inhibiting religion or attempting to impose particular religious beliefs on students. For this reason, a public school counselor or teacher cannot proselytize to students or attempt to impose his or her religious beliefs about whether or not being LGBTQ is sinful.
- Free speech rights includes both pure speech and expressive conduct. Transgender students' dress is expressive conduct protected by the First Amendment. Supreme Court of the United States — a person's identity can be expressive conduct.

BISHOP COLVIN, FOUNDER & PARTNER

## 14<sup>th</sup> Amendment

- No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.
- Public officials (including schools) may not impose discriminatory burdens or unequal treatment on LGBTQ people because of public animosity toward them. This means that in schools, a district must protect students from anti-LGBTQ harassment just as it protects students from other kinds of harassment

BishopColvin  
BISHOP COLVIN, FOUNDER & PARTNER

## Practical Tips

- Focus on performance of students and employees, not personal attributes.
- Approach every situation with sensitivity first - how you react often shapes the rest of the context
- Be nice
- Get help – if you don't understand something, ask
- Be willing to help and be flexible – ask yourself if you want to be in the New York Times, USA Today or on the national news before you "take a stand"
- Show respect and get things refocused on school/education
- Create a school culture that is about... school and learning

BishopColvin  
BISHOP COLVIN, FOUNDER & PARTNER

## Schools and Religion

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

### Establishment Clause vs. Free Exercise Clause

## Some Basic Understandings

- Students can
  - Pray and express religious views with peers
  - Bring and read Bibles, pray before meals (alone or together)
  - Engage in voluntary prayer but this does NOT include the right to have a captive audience or compel other students to participate
  - Express religious beliefs in reports, art, homework, in classroom discussions, etc but have to be relevant to instructional goals or content
  - Distribute religious literature to the same extent as for non religious literature (subject to time, place, manner restrictions)
  - Participate in group activities before and after school – see you at the flagpole type

BishopColvin

### *Some Basic Understandings*

- Students can
  - Participate in group activities before and after school – “see you at the flagpole” type events
  - Speak about religious topics to same extent as non religious (political, philosophical, etc) but cannot harass others
  - Right to participate and meet in clubs to same extent as others
  - Wear religious attire (subject to other rules of course)

### *Some Basic Understandings*

- School officials cannot
  - Mandate or organize prayer at graduation or other school activities
  - Encourage or solicit student religious or antireligious activity
  - Engage in religious activities with students while in official capacities at school (which is really all of the time)
  - Accept or reject student homework or academic content based on religious message or lack thereof – must judge religious submissions by ordinary academic standards of substance, reference, appearance and grammar
  - Teach religion (but can teach ABOUT religion)

### *Some Basic Understandings*

- School officials cannot
  - Permit outsiders access to the classroom to distribute religious or anti religious literature
  - Discourage or encourage participation in student led prayer, religious events, “met by at the flagpole” gatherings or the like
  - Permit harassment based on religion
  - Participate actively in religious student clubs or permit “non-school persons” to control or regularly attend club meetings
  - Promote religion in media, communications, or school controlled communications

### *Some Examples*

- Freedom from Religion Foundation Letters and EEOC Charge
  - Using twitter to promote a prayer walk
  - Acknowledging a school community’s “Christian values” on the school intercom
  - EEOC charge based on not being hired because the applicant was not Baptist
  - Student permitted to proselytize during public assembly
  - Prayer breakfasts/meetings before school in school

### *How to Navigate the Minefield*

- Focus on our mission – teaching and learning
- Focus on characteristics that support that mission
- Respect for everyone – whether you understand or not
- Look at every situation from the other person’s perspective
  - Does it support a safe and secure learning/employment environment for that person?
  - Does it single ANYONE out?
  - Does it support the educational mission?

### *How to Navigate the Minefield*

- Are there ways to solve the problem without aggravating the problem?
- Good decisions, good standard practices, solutions that affect everyone
- Stick to business – the business of education and tailor decisions to that

**Employment  
Committee  
Updates**

## Employment Reminders:

- We cannot send you the recommendation sheet until the position closes – page 10.
- If you interview someone we did not recommend, we have to go back and check recommend for interview for our data to be correct and then resend you the recommendation sheet. This is in direct violation of the Employment Plan – page 9.
- If we send you someone that does not have HQ status, it is because we know they will currently become HQ soon or we have a path for them to become HQ.

## Employment Reminders:

- The Employment Plan recommends a team interview process at each school - page 10. A team is more than two people.
- If we fail to make contact with you about a position posted at your school, please contact us and let us know the people you would like to interview in addition to the names we recommend – page 9.
- Remember, we must follow the employment plan. It is a federal requirement – page 9.
- Alternative certification paths should only be used with caution – not the norm. There are a lot of responsibilities for the local administrator to monitor with each alternative certification.

## **EQUAL EMPLOYMENT OPPORTUNITY STATEMENT**

It is the policy of the Calhoun County Board of Education that no person shall, on the grounds of race, color, disability, sex, religion, national origin, ethnic group, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or in any term or condition of employment.

Adopted: 04/19/83

Revised: 11/29/95

### **•What does this statement mean for you?**

- You cannot ask a job candidate about their age.
- You cannot make comments about a job candidate's age – how old or how young.
- You cannot ask a potential candidate about their family.
- You cannot ask a potential candidate about their religious affiliation.
- Basically, you cannot ask any personal questions to any potential candidate.
- Keep in mind the small talk before the interview and after the interview counts as interview time. Be careful during this time.

# Consent Decree Reminders:

“Fourteen of the District’s 18 schools have no African American certified staff: the other four schools have only one.” Page 6

- This is a direct quote from our new consent decree that you all received a copy of in July 2015 from Mr. Colvin.
- If this describes your school, please make a hearty effort to find a qualified minority candidate for any teaching position you have open.
- If you lose a minority candidate, you should replace the lost minority candidate with another minority candidate.
- Keep in mind for the consent decree; we are talking specifically about Caucasian and African American Candidates.

Early Stage Misbehavior Responses

- Discussion
- Family Contact (Ex. On page 123)
- Humor
- Praise someone behaving responsibly
- Restitution
- An Emotional Reaction (no more than \_\_\_\_\_)
- Give positive feedback when behavior improves

Reminder:  
 It's not the SEVERITY of your  
 consequences that will make  
 them effective...it is the  
CERTAINTY  
Consistency is the Key!

How many should I "CHAMP?"

- Secondary (4)
- Teacher-directed instruction
- Independent seat work
- Cooperative groups
- Tests
- Elementary
- Minimum of the 4
- Others that pertain to an activity you may also have a concern with.

How DETAILED and How Long Do You Teach?

**For Example:**

- **Mature and Responsible Students**
  - Verbalize expectations on the first day.
  - Repeat days 2 and 3
  - Occasional Reminders throughout the year
  - **All the while, T-M-F**

Prepare Lessons for TEACHING Expectations

- Teach Expectations for a Particular Activity or Transition **Immediately BEFORE it Occurs**
- **Two Components** of All Lessons:
  - **Present** the Expectations
  - **Verify** the Students Understand the Expectations

The behavior you  
**reward** is the  
 behavior you **get**.

---

---

---

---

---

---

---

---

**Ratio of Interactions**

- The single most important thing that teachers can do to improve the overall behavior of students in their classrooms and connect with students is...
  - to increase the number of positive or non-contingent interactions they have with each student.

---

---

---

---

---

---

---

---

7/9/18

### Why did you interact?

- If the student is **engaged in a behavior that meets your expectation** and you respond, the interaction is **positive**.
- If the student is **engaged in a behavior that does not meet your expectation** and you respond, the interaction is **negative/corrective**.

---

---

---

---

---

---

---

---

### Feedback Reminder

Catch the student "doing good" when succeeding at a new task/skill.

Catch the student "doing good" when succeeding at something difficult for him/her.

### Task 4: Positive Feedback

- Accurate
- Specific and Descriptive
- Contingent
- **Age Appropriate**
- **Fits Your Personal Style**

A Native American grandfather talking to his young grandson tells the boy he has two wolves inside of him struggling with each other. The first is the wolf of peace, love and kindness. The other wolf is fear, greed and hatred. "Which wolf will win, grandfather?" asks the young boy. "Whichever one I feed," is the reply.

**MANAGEMENT & DISCIPLINE PLANNING QUESTIONNAIRE (1 of 2)**

For each question, circle the number under the statement that best answers the question. If you are unsure about or do not know the answer to a question, circle the middle choice. When you are done, add all the numbers circled and enter the total on the line provided (you should have a number between 0 and 120).

<b>Questions 1–6 relate to the population of the entire school.</b>				
1	How would you describe the overall behavior of students in your school?	Generally quite irresponsible. I frequently have to nag and/or assign consequences. <b>10</b>	Most students behave responsibly, but about 10% put me in the position where I have to nag and/or assign consequences. <b>5</b>	Generally responsible. I rarely find it necessary to nag and/or assign consequences. <b>0</b>
2	What percentage of students in your school qualify for free or reduced lunch?*	60% or more <b>10</b>	10% to 60% <b>5</b>	Less than 10% <b>0</b>
3	What percentage of students in your school typically move in and/or out of the school during the course of the school year?	50% or more <b>10</b>	10% to 50% <b>5</b>	Less than 10% <b>0</b>
4	How would you describe the overall attitude of students toward school?	A large percentage hate school and ridicule the students who are motivated. <b>10</b>	It's a mix, but most students feel OK about school. <b>5</b>	The vast majority of students like school and are highly motivated. <b>0</b>
5	How would you describe the overall nature of the interactions between students and adults in your school?	There are frequent confrontations that include sarcasm and/or disrespect. <b>10</b>	There is a mix, but most interactions are respectful and positive. <b>5</b>	The vast majority of interactions are respectful and positive. <b>0</b>
6	How would you describe the level of interest and support provided by the parents of students in your school?	Many parents are openly antagonistic, and many show no interest in school. <b>10</b>	Most parents are at least somewhat supportive of school. <b>5</b>	The majority of parents are interested, involved, and supportive of what goes on in school. <b>0</b>
<b>Questions 7–11 relate to students in your class this year. Middle school teachers: Evaluate your most difficult class.</b>				
7	What grade level do you teach?	K or 1 <b>20</b>	6, 7, or 8 <b>10</b>	Other <b>0</b>
8	How many students do you have in your class?	30 or more <b>10</b>	23 to 30 <b>5</b>	22 or fewer <b>0</b>
9	What is the reputation of this group of students from previous years (e.g., if you teach fifth grade, what was the reputation of these students as fourth graders)?	This is the class from hell. <b>10</b>	It's a mix, but most of the students work hard and cooperate. <b>5</b>	This group is very hard working and cooperative. <b>0</b>
10	How many students in your class have been identified as Severely Emotionally Disturbed (SED)? Note: This label varies from state to state (e.g., ED, EBD, BD, etc.).	Two or more <b>10</b>	One <b>5</b>	Zero <b>0</b>
11	Not including students identified as SED, how many students in your class have a reputation for chronic discipline problems?	Three or more <b>10</b>	One or two <b>5</b>	Zero <b>0</b>

\* While poverty level tells you nothing about an individual student, the percentage of students from poverty has an influence on the teacher's initial decision about level of structure. Notice that this is weighted the same as Item 8, the number of students in the class.

### CHAMPS TRANSITION WORKSHEET

Transition \_\_\_\_\_

## **C**onversation

Can students engage in conversations with each other during this transition? Yes  
If yes, clarify how (so that they keep their attention on completing the transition).

Voice Level:

## **H**elp

How do students get questions answered? How do students get your attention?

## **A**ctivity

Explain the transition. What will be different afterwards? (e.g., change in location, use of different materials, etc.).  
Include time criteria (how long it should take).

## **M**ovement

If the transition itself does not involve getting out of seats, can students get out of their seat for any reason during the transition? Yes \_\_\_\_\_ es, what are acceptable reasons?

If the transition itself involves out-of-seat movement, can a student go elsewhere (e.g., to sharpen a pencil)?

## **P**articipation

What behaviors show that students are participating in the transition fully and responsibly?

What behaviors show that a student is not participating appropriately in the transition?

## Report on School Connectedness

*"Increasing evidence shows that when adolescents feel cared for by people at their school and feel like a part of their school, they are less likely to use substances, engage in violence, or initiate sexual activity at an early age."*

McNeely, C.A., Nonnemaker, J.A., Blum, R.W.; (2002)

The study examines the association between school connectedness and the school environment. Higher school connectedness was associated with: positive classroom management climates, participation in extracurricular activities, tolerant disciplinary policies and small school size.

McNeely, C.A., Nonnemaker, J.A., Blum, R.W.; (2002). Promoting School connectedness: Evidence from the National Longitudinal Study of Adolescent Health, Journal of School Health, 72(4), 138-146.

Research at the following website clearly demonstrates an association between connectedness and effective classroom management, effective disciplinary policies, small school size and involvement in extracurricular activities.
